(2) "Chemically dependent person" means a person who frequently or repeatedly becomes intoxicated by excessive indulgence in alcohol or uses controlled substances or dangerous drugs so as to acquire a fixed habit and an involuntary tendency to become intoxicated or use those substances as often as the opportunity is presented.

(4) "Convicted" means an adjudication of guilt or, except as provided in § 411.1711, an order of deferred adjudication entered against a person by a court of competent jurisdiction whether or not the imposition of the sentence is subsequently probated and the person is discharged from community supervision. The term does not include an adjudication of guilt or an order of deferred adjudication that has been subsequently:

- (A)** expunged;
- (B)** pardoned under the authority of a state or federal official; or
- (C)** otherwise vacated, set aside, annulled, invalidated, voided, or sealed under any state or federal law.

(5) "Handgun" has the meaning assigned by § 46.01, Penal Code.

(6) "Intoxicated" has the meaning assigned by § 49.01, Penal Code.

(7) "Qualified handgun instructor" means a person who is certified to instruct in the use of handguns by the department.

Section 411.1711. Certain exemptions from convictions.

A person is not convicted, as that term is defined by § 411.171, if an order of deferred adjudication was entered against the person on a date not less than 10 years preceding the date of the person's application for a license under this subchapter unless the order of deferred adjudication was entered against the person for:

(1) a felony offense under:

- (A)** Title 5, Penal Code;
- (B)** Chapter 29, Penal Code;
- (C)** Section 25.07 or 25.072, Penal Code; or
- (D)** Section 30.02, Penal Code, if the offense is punishable under Subsection (c)(2) or (d) of that section; or

Section 411.172. Eligibility.

(a) A person is eligible for a license to carry a handgun if the person:

- (1)** is a legal resident of this state for the six-month period preceding the date of application under this subchapter or is otherwise eligible for a license under Section 411.173(a);
- (2)** is at least 21 years of age;
- (3)** has not been convicted of a felony;

(14) has not made any material misrepresentation, or failed to disclose any material fact, in an application submitted pursuant to Section 411.174.

(b) For the purposes of this section, an offense under the laws of this state, another state, or the United States is:

(1) except as provided by Subsection (b-1), a felony if the offense, at the time the offense is committed:

(A) is designated by a law of this state as a felony;

(B) contains all the elements of an offense designated by a law of this state as a felony; or

(C) is punishable by confinement for one year or more in a penitentiary; and

(2) a Class A misdemeanor if the offense is not a felony and confinement in a jail other than a state jail felony facility is affixed as a possible punishment.

(b-1) An offense is not considered a felony for purposes of Subsection (b) if, at the time of a person's application for a license to carry a handgun, the offense:

(1) is not designated by a law of this state as a felony; and

(2) does not contain all the elements of any offense designated by a law of this state as a felony.

(c) An individual who has been convicted two times within the 10-year period preceding the date on which the person applies for a license of an offense of the grade of Class B misdemeanor or greater that involves the use of alcohol or a controlled substance as a statutory element of the offense is a chemically dependent person for purposes of this section and is not qualified to receive a license under this subchapter. This subsection does not preclude the disqualification of an individual for being a chemically dependent person if other evidence exists to show that the person is a chemically dependent person.

(d) For purposes of Subsection (a)(7), a person is incapable of exercising sound judgment with respect to the proper use and storage of a handgun if the person:

(1) has been diagnosed by a licensed physician as suffering from a psychiatric disorder or condition that causes or is likely to cause substantial impairment in judgment, mood, perception, impulse control, or intellectual ability;

(2) suffers from a psychiatric disorder or condition described by Subdivision (1) that:

(A) is in remission but is reasonably likely to redevelop at a future time; or

(B) requires continuous medical treatment to avoid redevelopment;

(3) has been diagnosed by a licensed physician, determined by a review board or similar authority, or declared by a court to be incompetent to manage the person's own affairs; or

- (B)** bipolar disorder;
- (C)** chronic dementia, whether caused by illness, brain defect, or brain injury;

- (E)** intermittent explosive disorder; or
- (F)** antisocial personality disorder.

(f) Notwithstanding Subsection (d), a person who has previously been diagnosed as suffering from a psychiatric disorder or condition described by Subsection (d) or listed in Subsection (e) is not because of that disorder or condition incapable of exercising sound judgment with respect to the proper use and storage of a handgun if the person provides the department with a certificate from a licensed physician whose primary practice is in the field of psychiatry stating that the psychiatric disorder or condition is in remission and is not reasonably likely to develop at a future time.

(g) Notwithstanding Subsection (a)(2), a person who is at least 18 years of age but not yet 21 years of age is eligible for a license to carry a handgun if the person:

- (1)** is a member or veteran of the United States armed forces, including a member or veteran of the reserves or national guard;
- (2)** was discharged under honorable conditions, if discharged from the United States armed forces, reserves, or national guard; and
- (3)** meets the other eligibility requirements of Subsection (a) except for the minimum age required by federal law to purchase a handgun.

(h) The issuance of a license to carry a handgun to a person eligible under Subsection (g) does not affect the person's ability to purchase a handgun or ammunition under federal law.

- (9)** a form executed by the applicant that authorizes the director to make an inquiry into any noncriminal history records that are necessary to determine the applicant's eligibility for a license under Section 411.172(a).

(b) An applicant must provide on the application a statement of the applicant's:

- (1)** full name and place and date of birth;

(8) history, if any, of treatment received by, commitment to, or residence in:

(A) a drug or alcohol treatment center licensed to provide drug or alcohol treatment under the laws of this state or another state, but only if the treatment, commitment, or residence occurred during the preceding 5 years; or

(b-1) The application must provide space for the applicant to:

(1) list any military service that may qualify the applicant to receive a license with a veteran's designation under Section 411.179(e); and

(2) include proof required by the department to determine the applicant's eligibility to receive that designation.

(c) The department shall distribute on request a copy of this subchapter and application materials.

(d) The department may not request or require an applicant to provide the applicant's social security number as part of an application under this section.

Section 411.176. Review of application materials.

(a) On receipt of application materials by the department at its Austin headquarters, the department shall conduct the appropriate criminal history record check of the applicant through its computerized criminal history system. Not later than the 30th day after the date the department receives the application materials, the department shall forward the materials to the director's designee in the geographical area of the applicant's residence so that the designee may conduct the investigation described by Subsection (b). For purposes of this section, the director's designee may be a noncommissioned employee of the department.

(b) The director's designee as needed shall conduct an additional criminal history record check of the applicant and an investigation of the applicant's local official records to verify the accuracy of the application materials. The director's designee may access any records necessary for purposes of this subsection. The scope of the record check and the investigation are at the sole discretion of the department, except that the director's designee shall complete the record check and investigation not later than the 60th day after the date the department receives the application materials. The department shall send a fingerprint card to the Federal Bureau of Investigation for a national criminal history check of the applicant. On completion of the investigation, the director's designee shall return all materials and the result of the investigation to the appropriate division of the department at its Austin headquarters.

(c) The director's designee may submit to the appropriate division of the department, at the department's Austin headquarters, along with the application materials a written recommendation for disapproval of the application, accompanied by an affidavit stating personal knowledge or naming persons with personal knowledge of a ground for denial under Section 411.172. The director's designee may also submit the application and the recommendation that the license be issued.

(d) On receipt at the department's Austin headquarters of the application materials and the result of the investigation by the director's designee, the department shall conduct any further record check or investigation the department determines is necessary if a question exists with respect to the accuracy of the application materials or the eligibility of the applicant, except that the department shall complete the record check and investigation not later than the 180th day after the date the department receives the application materials from the applicant.

Section 411.177. Issuance or denial of license.

(a) The department shall issue a license to carry a handgun to an applicant if the applicant meets all the eligibility requirements and submits all the application materials. The department shall administer the licensing procedures in good faith so that any applicant who meets all the eligibility requirements and submits all the application materials shall receive a license. The department may not deny an application on the basis of a capricious or arbitrary decision by the department.

(b) The department shall, not later than the 60th day after the date of the receipt by the director's designee of the completed application materials:

(1) issue the license;

(2) notify the applicant in writing that the application was denied:

- (A) on the grounds that the applicant failed to qualify under the criteria listed in Section 411.172;
- (B) based on the affidavit of the director's designee submitted to the department under Section 411.176(c); or
- (C) based on the affidavit of the qualified handgun instructor submitted to the department under Section 411.188(k); or

(3) notify the applicant in writing that the department is unable to make a determination regarding the issuance or denial of a license to the applicant within the 60-day period prescribed by this subsection and include in that notification an explanation of the reason for the inability and an estimation of the amount of time the department will need to make the determination.

(c) Failure of the department to issue or deny a license for a period of more than 30 days after the department is required to act under Subsection (b) constitutes denial.

(d) A license issued under this subchapter is effective from the date of issuance.

Section 411.179. Form of license.

(a) The department by rule shall adopt the form of the license. A license must include:

- (1) a number assigned to the license holder by the department;
- (2) a statement of the period for which the license is effective;
- (3) a photograph of the license holder;
- (4) the license holder's full name, date of birth, hair and eye color, height, weight, and signature;
- (5) the license holder's residence address or, as provided by Subsection (d), the street address of the courthouse in which the license holder or license holder's spouse serves as a federal judge or the license holder serves as a state judge;
- (6) the number of a driver's license or an identification certificate issued to the license holder by the department; and
- (7) the designation "VETERAN" if required under Subsection (e).

(c) In adopting the form of the license under Subsection (a), the department shall establish a procedure for the license of a qualified handgun instructor or of the attorney general or a judge, justice, United States attorney, assistant United States attorney, assistant attorney general, prosecuting attorney, or assistant prosecuting attorney, as described by Section 46.15(a)(4), (6), or (7), Penal Code, to indicate on the license the license holder's status as a qualified handgun instructor or as the attorney general or a judge, justice, United States attorney, assistant United States attorney, assistant attorney general, district attorney, criminal district attorney, or county attorney. In establishing the procedure, the department shall require sufficient documentary evidence to establish the license holder's status under this subsection.

(d) In adopting the form of the license under Subsection (a), the department shall establish a procedure for the license of a federal judge, a state judge, or the spouse of a federal judge or state judge to omit the license holder's residence address and to include, in lieu of that address, the street address of the courthouse in which the license holder or license holder's spouse serves as a federal judge or state judge. In establishing the procedure, the department shall require sufficient documentary evidence to establish the license holder's status as a federal judge, a state judge, or the spouse of a federal judge or state judge.

(e) In this subsection, "veteran" has the meaning assigned by Section 411.1951. The department shall include the designation "VETERAN" on the face of any original, duplicate, modified, or renewed license under this subchapter or on the reverse side of the license, as determined by the department, if the license is issued to a veteran who:

- (1) requests the designation; and
- (2) provides proof sufficient to the department of the veteran's military service and honorable discharge.

Section 411.180. Notification of denial, revocation, or suspension of license; Review.

(a) The department shall give written notice to each applicant for a handgun license of any denial, revocation, or suspension of that license. Not later than the 30th day after the notice is received by the applicant, according to the records of the department, the applicant or license holder may request a hearing on the denial, revocation, or suspension. The applicant must make a written request for a hearing addressed to the department at its Austin address. The request for hearing must reach the department in Austin prior to the 30th day after the date of receipt of the written notice. On receipt of a request for hearing from a license holder or applicant, the department shall promptly schedule a hearing in the appropriate justice court in the county of residence of the applicant or license holder. The justice court shall conduct a hearing to review the denial, revocation, or suspension of the license. In a proceeding under this section, a justice of the peace shall act as an administrative hearing officer. A hearing under this section is not subject to Chapter 2001

(Administrative Procedure Act). A district attorney or county attorney, the attorney general, or a designated member of the department may represent the department.

(b) The department, on receipt of a request for hearing, shall file the appropriate petition in the justice court selected for the hearing and send a copy of that petition to the applicant or license holder at the address contained in departmental records. A hearing under this section must be scheduled within 30 days of receipt of the request for a hearing. The hearing shall be held expeditiously but in no event more than 60 days after the date that the applicant or license holder requested the hearing. The date of the hearing may be reset on the motion of either party, by agreement of the parties, or by the court as necessary to accommodate the court's docket.

(c) The justice court shall determine if the denial, revocation, or suspension is supported by a preponderance of the evidence. Both the applicant or license holder and the department may present evidence. The court shall affirm the denial, revocation, or suspension if the court determines that denial, revocation, or suspension is supported by a preponderance of the evidence. If the court determines that the denial, revocation, or suspension is not supported by a preponderance of the evidence, the court shall order the department to immediately issue or return the license to the applicant or license holder.

(d) A proceeding under this section is subject to Chapter 105, Civil Practice and Remedies Code, relating to fees, expenses, and attorney's fees.

(e) A party adversely affected by the court's ruling following a hearing under this section may appeal the ruling by filing within 30 days after the ruling a petition in a county court at law in the county in which the applicant or license holder resides or, if there is no county court at law in the county, in the county court of the county. A person who appeals under this section must send by certified mail a copy of the person's petition, certified by the clerk of the court in which the petition is filed, to the appropriate division of the department at its Austin headquarters. The trial on appeal shall be a trial de novo without a jury. A district or county attorney or the attorney general may represent the department.

(f) A suspension of a license may not be probated.

(g) If an applicant or a license holder does not petition the justice court, a denial becomes final and a revocation or suspension takes effect on the 30th day after receipt of written notice.

(h) The department may use and introduce into evidence certified copies of governmental records to establish the existence of certain events that could result in the denial, revocation, or suspension of a license under this subchapter, including records regarding convictions, judicial findings regarding mental competency, judicial findings regarding chemical dependency, or other matters that may be established by governmental records that have been properly authenticated.

(i) This section does not apply to a suspension of a license under § 85.022, Family Code, or Article 17.292, Code of Criminal Procedure.

Section 411.181. Notice of change of information; Duplicate license.

(a) If a person who is a current license holder moves from any residence address stated on the license, if the name of the person is changed by marriage or otherwise, or if the person's status becomes inapplicable for purposes of the information required to be displayed on the license under Section 411.179, the person shall, not later than the 30th day after the date of the address, name, or status change, notify the department and provide the department with the number of the person's license and, as applicable, the person's:

- (1)** former and new addresses;
- (2)** former and new names; or
- (3)** former and new status.

(a-1) If a license holder whose license will expire under Section 411.183(a)(1)(B) or (b)(1)(B) is granted an extension for the license holder's lawful presence in the United States as determined by the United States agency responsible for citizenship and immigration in compliance with federal law, the license holder may apply to the department for a duplicate license with an updated expiration date by providing to the department the person's license number and evidence of the extension. The duplicate license must provide for an expiration date, calculated in accordance with Section 411.183(a) or (b), as applicable, that takes into account the extension of the period for which the license holder may be lawfully present in the United States.

(b) If the name of the license holder is changed by marriage or otherwise, or if the person's status becomes inapplicable as described by Subsection (a), the person shall apply for a duplicate license. The duplicate license must reflect the person's current name, residence address, and status.

(c) If a license holder moves from the address stated on the license, the person shall apply for a duplicate license.

(d) The department shall charge a license holder a fee of \$25 for a duplicate license.

(e) The department shall make the forms available on request.

(f) On request of a local law enforcement agency, the department shall notify the agency of changes made under Subsection (a) by license holders who reside in the county in which the agency is located.

(g) If a license is lost, stolen, or destroyed, the license holder shall apply for a duplicate license not later than the 30th day after the date of the loss, theft, or destruction of the license.
